Case No.: 95-JTP-3

STATE OF CALIFORNIA HEALTH AND  
WELFARE AGENCY,  
Complainant

v.

U. S. DEPARTMENT OF LABOR,  
Respondent

### ORDER

On July 10, 1995, Complainant filed a request for a stay of proceedings in response to my Order to Show Cause issued July 3, 1995. Complainant states that a stay until December 31, 1995 would allow time for resolution of the state administrative appeal now pending before a State Administrative Law Judge. Respondent has no objection to this stay.

Therefore, it is ORDERED that these proceedings are stayed until December 31, 1995. The parties are ORDERED to respond, on or before January 2, 1996, to the Notification of Receipt of Request for Hearing and Prehearing Order issued November 16, 1994 in this case.
